

A POLITICAL CHRISTMAS CAROL

[Sung to the tune of "Hark, hear the bells..." as
adapted by Ms. Pojer, 2001]

Will it be Bush?
Maybe it's Gore.
Here are some votes
Let's count some more.

Florida's blue
No, now it's red.
Who really knows
Let's go to bed.

Everyone is screaming,
Oy, am I dreaming?
Legal redress
This is a mess!

Tell me just what is a pregnant chaad?
Oh, I feel that this is getting baad!

Ballots to count
From far and near.
Democrat hopes
GOP fears.

Transition teams
Wait for the news
It all depends
On who else sues.

Popular votes
Or elect'ral college.
It's getting rough
We've had enough!

Will we know who is the President?
By January 20th or Lent?

REEECOUNT REEECOUNT

[Repeat]Will it be Bush.....
